

Impur Christian Hospital
P.O. Impur 798 615
Nagaland, India

In 1909 an American Baptist missionary , Dr. James R. Bailey started treating patients at his home. In 1912 he started a dispensary to meet the needs of more patients. This hospital in 1955 became known as Impur Christian Hospital.

Today the hospital today now has

Total number of beds	30
Total full-time medical staff	15
Total partime staff	3

They serve the community by having health programs, seminars, health check-ups as well as health education awareness programs especially with HIV/AIDS.

Inpatients	250 – 300
Outpatients	5,000 – 6,000
Surgeries	400 – 500

We would like to thank International Ministries for their love contributions and prayers. We thank the Lord for you and all the people who are supporting us though we cannot see them personally.

Yours sincerely,

Dr. I. Imnuksungba
Medical Superintendent
